COMPANY PROFILE

SAFETY FOOTWEAR • WORKWEAR • PPE

Treadsafe is one of the largest independent distributors of safety footwear in South Africa. Established in 1995, we strive to be the supplier of choice when it comes to personal protective equipment.

We stock over 100 styles of safety footwear, manufactured both locally and imported, as well as a wide range of PPE & workwear.

We have a well trained and dedicated sales team which, with years of experience in the safety industry, enables us to recommend the correct products suited to your working environment.

Our friendly staff ensure orders are dealt with professionally and efficiently.

Together with our suppliers and distribution network, we are able to supply safety footwear to most areas in South Africa. We offer our customers a one stop safety experience and provide head-to-toe solutions for most environments.

Our large stock holdings allow for efficient completion of orders and our internal dispatch department and delivery vehicles usually ensure delivery within 24-48 hours. From private individuals, to large corporates and municipalities.

We offer excellent service to all, no customer is too big or too small. We also offer excellent reseller support and pricing for small to large distributors.
